4 The points for order are -

(1) To have a special sanction of daily allowance of Rs. 1 1/8 to local auditors of the Comptroller, &

(2) To enhance the local allowance of the inspecting ass't. Comptroller - from Rs. 501 to Rs. 600/-

5 As regards - (1), the arguments advanced as to how the revised rule applied to the local audit staff are not peculiar to the audit staff - The revision of the rule only having been sanctioned in general principle, no special rule being class of officers can be sanctioned.

As regards - (2) the question of the granting local allowance to officers has been recently reviewed by a committee and found to be in accordance with the rule.

6 Representation like these are mostly the result of the high cost of living and the rise in the general level of prices of all articles. The hardship is real but the relief can not be afforded only to one Dept. It does not appear to be possible to favourably consider the recommendations of the Comptroller.

SIR,

E

Adverting to Government Order No.3070-119/SA.107-19-1 dated 20th November 19 revising the rates of travelling allowance admissible to officers of all Departments, I have the honour to state that the application of these rates, though they may not appreciably affect officers who have to perform journeys occasionally on tour materially affects those who have to be constantly on tour throughout the year. It was with the object of mitigating the hardship entailed on the officials of this office who have to perform such journeys and remain outside Head Quarters throughout the year that a recommendation was made in this office letter No.5074/LAD dated 25th February 1911 for granting enhanced Daily allowances at the following rates on behalf of the auditors of the Local Audit Department.

Those drawing above Rs.60/-	Rs.1-8-0.
Rs.60 and below	Rupee one

Government were pleased to sanction the recommendation in their Order No.Fl.742/228-10-4 dated 16th August 1911 and daily allowance at these rates was being drawn by all auditors and Assistant auditors employed on Local audit work including the auditors of Food Supply Accounts till the end of ~~October~~ December 19, i.e., till the new rules were

brought into force.

B. I need hardly point out that under the prevailing high prices, increased house rent, and enhanced cost of locomotion the rates of travelling allowances now admissible to officials on lower rates of pay hardly suffices to meet the additional expenditure incurred consequent on their being constantly on tour. The reasons assigned in this office letter of the 25th February 1911 above referred to for enhancing the rates of Daily allowance to the^{1st} officials apply with greater force under existing circumstances and I request that you will be so good as to obtain the sanction of Government for the rates sanctioned in the Government Order of the 16th August 11 (revised in Government Order No. Fl. 4886/S&A. 54-18-2 dated 29th March 19) being treated as minimum rates of daily allowances to this class of officers.

In regard to the Gazetted staff employed on inspection work there are now three officers who are required to be constantly on tour throughout the year. These are-

- (1) The Officer in charge, Local Audit Department
- (2) do Forest and Public Works inspections
- and (3) do in charge of Food Supply accounts

They are now in receipt of a local allowance of Rs. 50/- each per mensem. Their work is of a very arduous nature and all the three represent to me that the local allowance now granted to them is quite inadequate to meet the extra expenditure which they are required to incur out of Head Quarters, to meet their ordinary wants and maintain their prestige as inspecting officers.

Account Officers of similar rank employed on similar work in British Provinces are granted a local allowance of Rs. 200/- per mensem besides being allowed occupation of Travellers Bungalows free of rent, during their halts on tour. I would therefore re-

commend ^{the} request that three account officers of this office employed on inspection work may be granted a local allowance of Rs. 100/- per mensem for which I request you will kindly obtain the sanction
